

**Texts Belonging to the Folk Culture and Having Interpretative Function  
(Motivation of Ritual Behaviour, Construction on Fortunetelling and Dreams,  
Mythological Explanation of Meaningful Events)**

*Lyudmila N. Vinogradova*

(Summary)

The article dwells upon some less-studied texts of the Slavic folk culture which have a common interpretative function: to explain the aim of the magical rites or the necessity to follow restrictions; to spell out the meaning of the prognostic signs encoded; to give a mythological explanation to the events happening in the world.

**Keywords:** traditional culture; motivations of actions; symbolic of dreams and fortunetelling; spelling out encoded signs
