

Safeguarding Intangible Cultural Heritage as a Factor for Sustainable Development

Plamena Zayachka

(Summary)

This article examines the process of safeguarding intangible cultural heritage as a factor for sustainable development. It traces and highlights the synergies between intangible cultural heritage and sustainable development. At the same time the author explores the interconnections between the different domains of intangible cultural heritage and the achievement of the Sustainable Development Goals, through the normative documents of the leading international organisations in the field.

Keywords: UNESCO 2003 Convention; intangible cultural heritage; communities; the United Nations 2030 Agenda for Sustainable Development; sustainable development; sustainable cultural tourism
