(Summary)

The purpose of the research is to outline the specifics of Bulgarian gardeners and Bulgarian horticulture in Budapest in the first quarter of the 21 century by means of two examples. Methods of observation, biographical approach, and free and semi-structured interviews are applied. The relationship between Bulgarian horticulture and cultural heritage is analyzed. The study is the result of the author's participation in a project "Migrations. Modernities, and Intercultural Mediation – Bulgarian Immigrant Groups to Hungary in late 19th and early 20th c. and their Impact on the Social and Cultural Life of the Host Society".
